Now onto the Luncheon! The Events committee had been working hard on the 2021 luncheon when we were required to go to a virtual event and will basically pickup where we left off when planning the 2021 luncheon. Barb was able to secure Rev. Dr. Gregory Seltz from the Lutheran Center for Religious Liberty as our speaker for the luncheon. As noted below, the luncheon will be in Macomb this year and we look forward to seeing you all there.
