

Good afternoon! This is Brandon Bettcher and I wanted to provide the information you requested. I am almost a month into my vicarage at St. Paul Lutheran Church and School and have been blessed by such a loving community. My wife Taylor and I have been looked after by members of the congregation who have been showing us around the area. She is currently an aide in the preschool. I have had the opportunity to help in the school as well as in worship. I will be preaching over Labor Day weekend for the first time while here. God has blessed us with a great community!

In Christ,

Vicar Brandon Bettcher
