

Dear Council of Lutheran Women  
As we approach Thanksgiving, I wanted to say thank you for your generous gift to help me and other seminary students to train and study to become pastors and deaconesses. The money that you gifted me with has covered my tuition expense for this semester. Recently, I am serving my internship with both the seminary as well as my home congregation of St. John Lutheran in Fraser. Some of my work so far has included starting up and leading a young adult small group Bible study and the large catechism, helping lead a women's Bible study, helping with the altar guild, providing congregation members with daily Bible and devotional readings, and doing shut-in visits. With the seminary, I have been looking into ways that they can better serve students who have learning disabilities, and I will be helping students on an individual basis through tutoring.

I am looking forward to what God has in store for me with the rest of my internship as well as when I go back to the seminary to take my final class this coming July.

Can't help feeling blessed  
by the blessing you are  
and the difference you make  
in so many ways.

Have A Wonderful

Thanksgiving

Thank you again so much for your generosity and I hope you all have a wonderful Thanksgiving! Christ's blessings
