

As always, your support is so appreciated and anything sent is a huge blessing. Your support both financially and prayerfully helps make every seminarians experience so much better, and I'm so glad that nine new seminary students can feel the support as well! Thank you again for reaching out and you all truly remind me of the blessing of such an amazing Church! Please let me know if there's anything specific I can pray for or if there's any more trouble!

Blessings on your day,  
Vicar Chris Sturges
