

Dear Council of Lutheran Women,

I wanted to thank you once more for your generosity, especially since receiving the additional donation. I am so thankful for your support.

As I mentioned in the luncheon, I am studying teaching in the spring, and I now have my placement at Concordia Lutheran High School in Fort Wayne! I also now have an apartment that I will be moving into in Fort Wayne at the end of the semester, so very exciting things are just around the corner!

I'm so excited for everything that the Lord has planned for me, and I have so much gratitude for your organization and the generosity that have afforded to me. Although these changes are all wonderful, they can still be stressful, so I am very thankful that you have lessened my financial worries. Thank you again!

God's blessings on your Christian life!
Leah Quinlan
