Annual Luncheon –

- Although I believe the consensus of the BOD is that we would rather not return to Burton Manor, the event itself was a success. Comments about the luncheon were all favorable. Everyone involved did a great job contributing to the success of the luncheon, including Barb, Sheri and Joan.
- This was Joan’s first year coordinating our WOY and she was a great asset to the team.
- We had 489 people register for the luncheon.
- \$212 was donated directly to the Seminarian fund.
- I will be playing with Eventbrite to come up with a better way to track those who have food issues. Giving them a choice of different issues i.e., vegan, vegetarian, gluten free, dairy free. If you think there are others that should be included in the list – please let me know.

Spring Meeting -

- As of this writing (4/12/23, 5:45PM) 38 people had registered for the Spring Meeting.
- I can not thank the ladies of the CLW enough for their support in my term as VP. Thank you to all.
