

Dear Council of Lutheran women,
Thank you so much for providing me with
financial support as I prepare for the Office of
the Holy Ministry! Your assistance goes a long
way to help me pay for food and housing,
as well as other miscellaneous expenses such
as books for class.

I just wrapped up my fall academic quarter
during which I took classes on the Gospel of
John, the Lutheran Confessions, Themes in the
Old Testament, Pastoral Theology, as well as

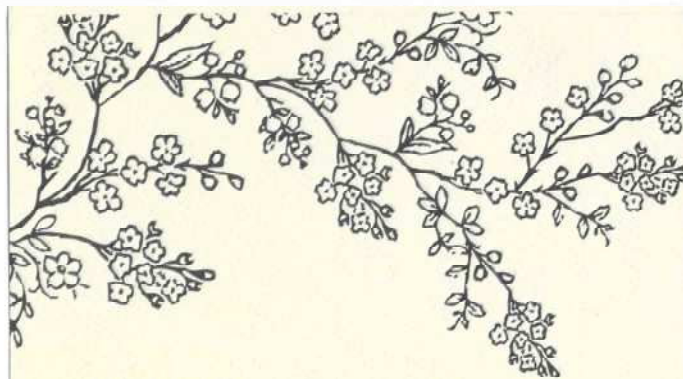

a class on the Office of the Ministry, the
Church, Word, and Sacrament. I learned a
lot in all of them.

Over Thanksgiving I will preach at my home
church (St. John Fraser) and take some time
to relax and visit with family and friends
before returning to CTSFW for the winter
quarter.

I greatly appreciate your assistance, and thank
God for you in my prayers, and ask that you keep
me in yours.
In Christ,
William Ebel
