

"PRAISE GOD

from whom all

BLESSINGS

flow!"

To the Council of Lutheran Women - Michigan,  
Easter blessings to you all! I wanted to send  
my sincerest regards and thanks for all of your  
prayers and financial support as I continue in my  
diaconess studies with Concordia Seminary -  
St. Louis. As I continue to embark on the journey  
that God has set forth before me, I am reminded of all  
the amazing women who have helped guide me through my  
ministerial formation. Thank you, again, and I pray  
God continues to bless you in all of the work you do.

In Christ,

Jani Buelow  
(D.E. diaconess intern)
